#8 嵐を呼ぶ王女／Tornade Princesse

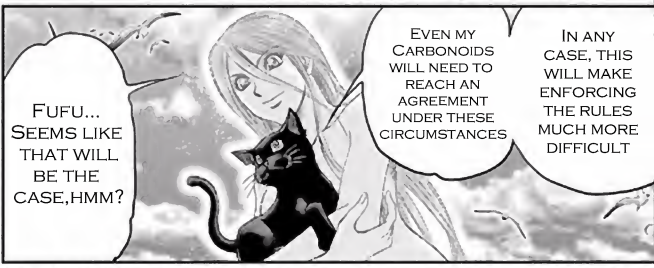
You would disobey the one-on-one rule of the game by interfering me!?
Wire Girl ... How dare you!!

Hasn't the game already been decided!?
Or are you saying that you have to personally deliver the killing blow when your opponent can't move anymore?
For a great philosopher, you're one ruthless bastard, Zeno!!

Ku ...!
If you move even an inch, you will split into pieces!
In the meanwhile, all those nanowires are all over your body
I don't know what all these paradoxes are about, but...
Hmph... Don't act so stubborn!
Can you even stand up with your bleeding wounds all over you?
There's no need for you to step in...
I... I'm still fighting ...!
Why... Why did you come back!?
A... Aisha...
Sasa-mura-san!!

TS's com: You sure? I mean it's very logic that Aisha saved Sasamura. If she didn't she would lose a very hot husband-to-be

What motivates the Natural Born more is their emotions instead of logic ...
But their unpredictability is what makes them interesting, mate
Goodness gracious, it's Wire Girl again
Not once but twice did she intervene while we are the referees of this game ...



Even my Carbonoids will need to reach an agreement under these circumstances
In any case, this will make enforcing the rules much more difficult
Fufu... Seems like that will be the case,hmm?

AISHA !!
MRGH ...
AUGH !!
GOT THE WIRES OUT OF THE WAY ...
COULD THAT SUDDEN TEMPEST BE ...
AISHA... ARE YOU OKAY!?
YEAH... BUT LOOK OVER THE OCEAN!!

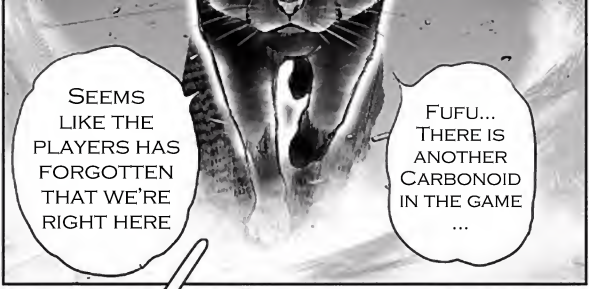
来ない
来ない

A TORNADO!? BUT WHY IS IT HERE ON A CLEAR DAY ...!?
IN THE MIDDLE OF THE TORNA-DO...
THERE'S SOME-ONE'S SHADOW !??
...WAIT!! SOMETHING IS THERE... SOMEONE IS IN THERE !!

Wait up, wait up, wait up~~~ !!
I wanna join in the fun for this game ~~~ ♪

TS's com: Bet you thought she was the lolita Mary Poppins...

Zeno-tan! I came for you, so don't you worry!
...Who asked you to assist me?
Oyoyo? Now who was the one that was having a cold sweat earlier?
Oh well, I had enough of sightseeing, so I wanna join in the fun, zoyo~~~
That little girl ... She's also a Carbonoid !?
Oh great, we got one that can control the weather too!?
Now which historical figure is she supposed to be based on from the past...?
Shuddup, ya hag!!
What is it to ya that I can control the weather?
Ya hag!!
Did you just call me a hag ...? *And twice on top of that ...



Seems like the players has forgotten that we're right here
Fufu... There is another Carbonoid in the game ...

Alright then! This game will restart with a sudden death of two-on-two
The same rules will apply as the previous games and in the ever-changing future...
If all of you entertain us well, we'll make this rule modification just for amusement

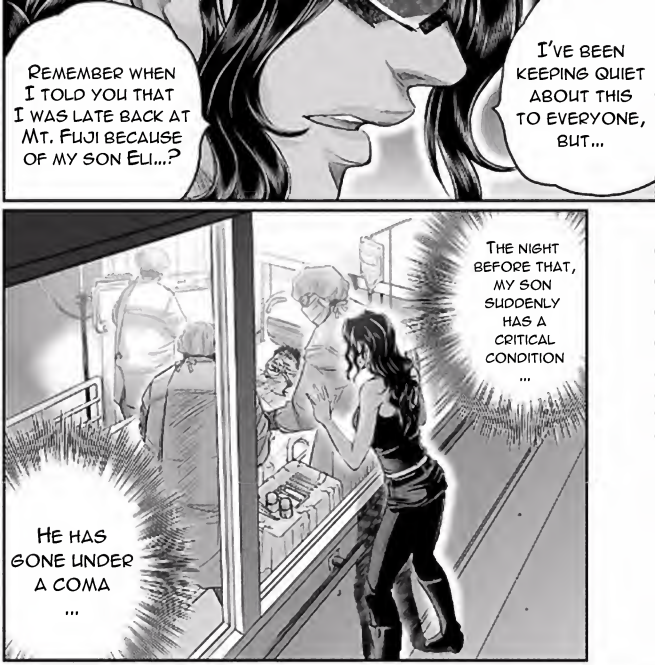
So you showed yourselves, FEE and MATE ... You guys are the cause of all of this
As usual, the both of you're only doing whatever you pleased ...

How long until things won't go according to your plans?
We'll make sure that we get rid of the Carbonoids from this world for good!!

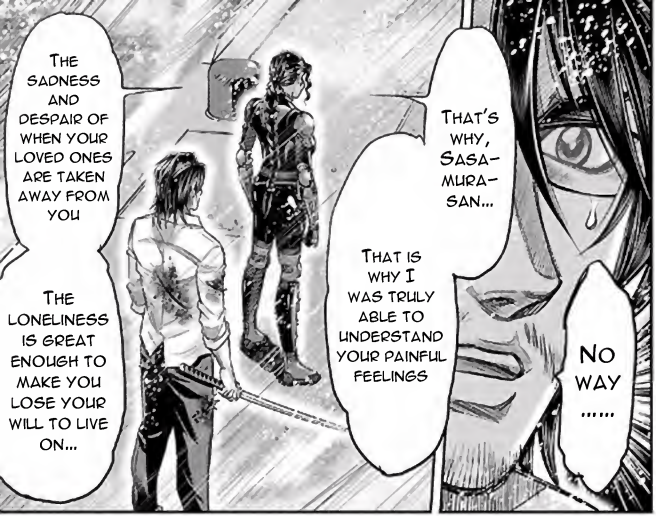
You sure talk big, but what will you do once you lose to us?
Ah whatever, MATE already accepted this to happen...
I think I should enjoy this some more, ZOYO!
Ｈｙ...

UGH ...!?
SNOW... FIRST SHE CAN SUMMON A TORNADO, AND NOW A BLIZZARD !?
...THAT GIRL MIKO IS CONTROLLING THE WEATHER LIKE SHE SAID !?
...MIKO! WE SHOULD SPLIT UP AND FIGHT OUR SEPARATE BATTLES
IF YOU ARE RIGHT BESIDE ME, EVEN I WILL BE DRAGGED INTO YOUR TORNADOES
YOU GOT IT! THEN IT'S OKAY FOR ME TO SLAUGHTER THAT HAG !?

Worry about yourself... Don't get too reckless!
Whatever the outcome is, if you feel like your life is in danger, think about how to escape!!
Sasamura-san... Are you really going to fight again even with those wounds !?
He will be waiting for his mother to return to him after fighting his illness ... You must survive so you can come back to him!!
Although I have no family left, you still have your son Eli to worry about!
The same ... How?
... I'm the same as you...
About being all alone ...



Remember when I told you that I was late back at Mt. Fuji because of my son Eli...?
I've been keeping quiet about this to everyone, but...
The night before that, my son suddenly has a critical condition ...
He has gone under a coma ...
I... I couldn't do anything to protect my son ...



No way ……
That's why, Sasamura-san…
That is why I was truly able to understand your painful feelings
The sadness and despair of when your loved ones are taken away from you
The loneliness is great enough to make you lose your will to live on…

There were so many times when I wished I could have my son back to the way he used to be …
But I just can't spit out all of my complains in front of Rinji and our friends…

I didn't know that… Aisha, even if you shed a tear in front of us…
As a woman, you are much stronger than I am …
Just what part of me is so strong !?

As a woman, I... I really am lonely and crying ...
Even then, whoever has to support me will only have their hearts broken ...
... Aisha ...
ス...

Yoshie... Choukou, I'm sorry ...
I still can't go to where you are ...

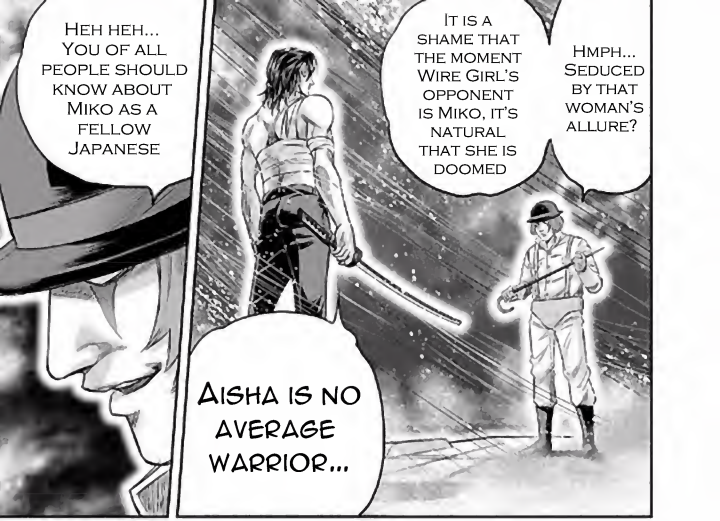
I WANT TO PROTECT HER...!!

COME BACK TO ME ALIVE, AISHA... SURVIVE THIS GAME!
YEAH... DEFINITELY
WE'LL HEAD TO THE NORTH TOGETHER!
IT'S A PROMISE

So BRIGHT !!
Mrgh... A flash-bang grenade!
!!
Over here, you dumb little girl !!

IF YOU DON'T WANT TO GET IN THE WAY, THEN LET'S SETTLE THIS AT ANOTHER PLACE!!
FOLLOW ME!!
I WILL LEAVE IT TO YOU... NATURALLY, THIS GAME HAS ALREADY BEEN DECIDED
OH, SHE'S PISSING ME OFF, ZOYO~! THAT SHITTY HAG IS GONNA GET IT FOR PLAYING HEROINE !!
WAIT UP!!
...YOU REALLY THINK SO?

By casting aside my selfishness... I will never be able to grasp the deepest level of the [Void] if I don't empty myself through my sword...
That's what I always assumed ...
But in the end, is the way of the sword truly correct when it requires me to throw away everything ...?



Heh heh... You of all people should know about Miko as a fellow Japanese
It is a shame that the moment Wire Girl's opponent is Miko, it's natural that she is doomed
Hmph... Seduced by that woman's allure?
Aisha is no average warrior...

...It can't be!?
She was the queen that commanded over her subjects and all creation on heaven and earth through her mysticism, and her name is...
In the ancient times... This country once had a prodigious shaman

The passengers should be safe from the tornado by now ...
I should be free to set up my wires here!
...
!!
Don't bother hiding from me, Zoyo~~~!
It is rude to keep someone from killing you as compensation, Zoyo ♪

You are in my territory now, little girl!
!
You may be able to control the weather ... But your power is significantly weaker once you are inside a ferry

That's right, come closer ...
Just a little more...

GOTCHA !!

Kyahaha! What can you do with just these wires, zoyo!?

On the other hand, my wires are superior in a tight space
Now you are more like a moth drawn to a flame!

WHAT THE!?

FROZEN
!!

I CAN DROP THE TEMPERATURE OF THE SURROUNDING MOISTURE AROUND ME
WHAT THE HELL!? YOU FREEZE THE WIRES INTO ICE PILLARS INSTANTLY... !?
THE ICE SHEETS FORMED FROM THE CORE OF THE WIRES VIBRATIONS ...
WHICH MEANS YOU JUST WITNESSED THE [SUPERCOOLING] PHENOMENON, ZOYO
ガシッ!!

FIRST YOU SUMMON TORNADOES, THEN BLIZZARDS... AND NOW YOU CONTROL ICE FREELY ...
YOU... JUST WHO THE HELL ARE YOU !?
FORGET CUTTING UP HUMANS, YOU THINK YOU CAN SLICE A RADISH LIKE THESE, ZOYO~~~?
KYAHA-HAHA!!
フン
フンッ

My power to control the weather is just as you observed
Though it's more correct to say I control the gas molecules within the vector field ...
That's how the atmosphere circulation has created a variation in temperature
In the era I was born in, agriculture is everything ...
By using the good climate and stable weather, the country has prospered under my grace...

Does the future really need such despicable humans?
They became nothing more than ungrateful parasites that feed on the earth, all because they have forgotten their gratitude towards nature ...
People's interests have shifted from agriculture to the manufacturing industry... And they wasted resources and energy so extravagantly ...
And yet, the world has changed after my death
As a result, there is so much pollution to the air and water all thanks to the foolish commoners and their endless greed!
That is why I am resurrected
For my sacred mission, I must recapture sovereignty from this planet's ignorant people...

GundamV: Please forgive me for this shitty redraw since we don't have anyone helping out for that task

TT.TT

Miko... Himiko! So that's who you are!!
You are the legendary shaman queen of Yamatai-koku?
But if you are the queen, you are supposed to protect your subjects!
How could you just use the environmental destruction as an excuse to create a massacre !?

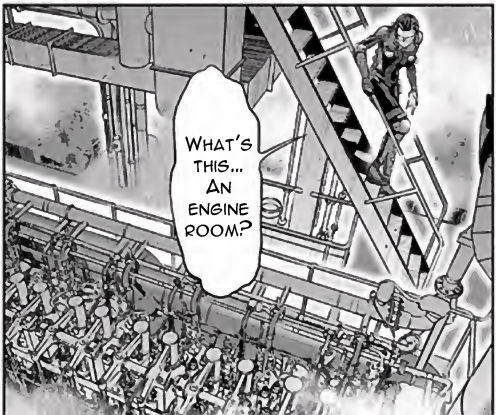
Once the contamination of this vast land and its filthy people are eliminated, only the chosen ones will create a righteous country
I will construct the ideal kingdom in harmony with nature, zoyo ♪
You people are the filthy ones! Spouting out self-righteous words is what makes you all rotten !!
I've no need to answer to you and those vulgar low-lives
ポコ
ポコ...
Enough talk, let's make this game more interesting!

Do you know what is necessary for temperature? It is the movement speed of the gas molecules, zoyo
With my power, I can slow down the movements and cause a low temperature
When it goes beyond a certain limit, the air will become frozen ...
Nitrogen ...
You made those water balloons out of liquid nitrogen!?
You got it !!!

KUH ...!!
AAAAGGGH!!!

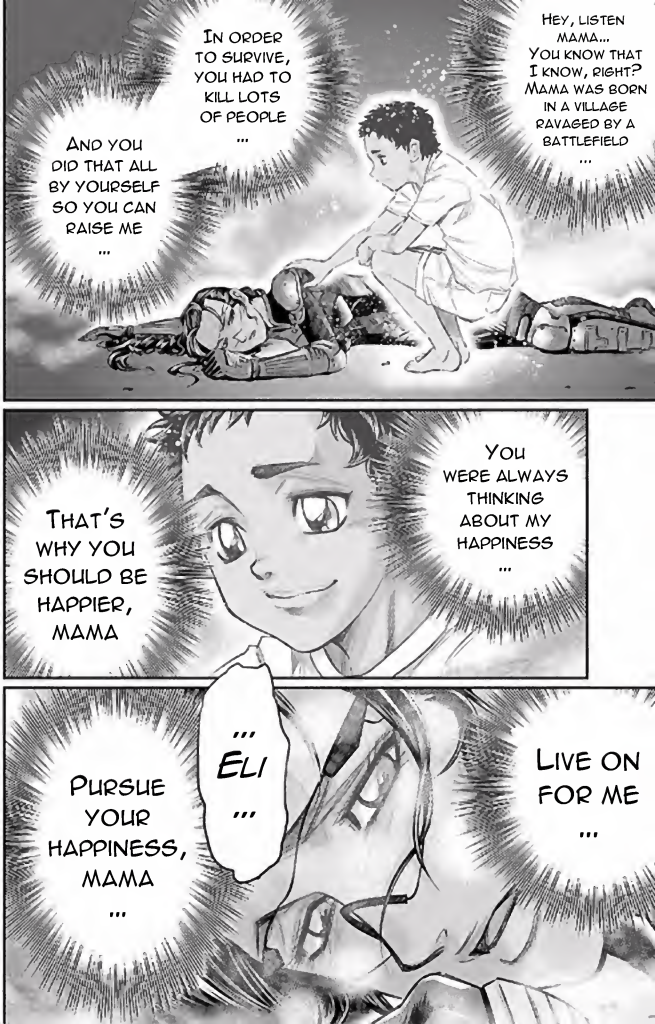
Translator Note: Naraka is Hell in Buddhist term.

I got to get out of here... Where is the exit?
So cold... The temperature is dropping rapidly
I am slowly losing consciousness too ...
It's like the North Pole... My muscles and blood will freeze at this point...



What's this... An engine room?

It's no use... The wires can't get that freak of nature... I used everything I got...
I just want to lay down... And then fall asleep ...
UGH ...!
...Forgive me, Sasamura-san ...
I couldn't do it... I can't keep our promise ...
...Wake up, mama
Don't sleep at a place like here ...



Hey, listen mama... You know that I know, right? Mama was born in a village ravaged by a battlefield ...
In order to survive, you had to kill lots of people ...
And you did that all by yourself so you can raise me ...
You were always thinking about my happiness ...
That's why you should be happier, mama
Live on for me ...
... Eli ...
Pursue your happiness, mama ...

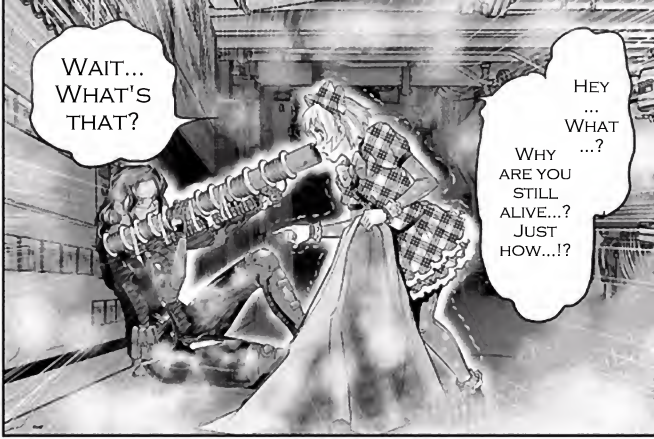
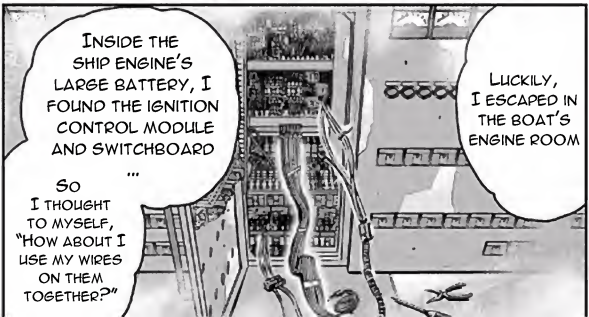
Fufu ...
So here is the engine room ...
It's been 30 minutes with the temperature dropping down to −100 °C like the South Pole
I won't freeze or get cold since I'm a Carbonoid, zoyo
Come on out, Wire Girl !!
ばっ!!
I know you are hiding here, zoyo...
Ah

Kyahahaha !!
You look like a solid ice statue!!
How pathetic for you to freeze to death !!
Oh well~~, it's not like an average human can even survive −100 °C anyways
You really thought you could protect yourself from the cold with that vinyl suit of yours? Fufu...
Fu...?



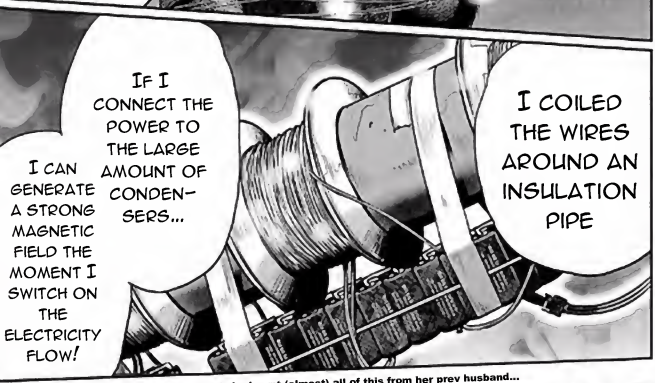
Wait... What's that?
Hey ... What ...? Why are you still alive...? Just how...!?

I had to learn how to survive while infiltrating enemy grounds and finishing off a target!
...I was a special agent once, and whenever I went on an assassination mission...



Inside the ship engine's large battery, I found the ignition control module and switchboard ...
So I thought to myself, "How about I use my wires on them together?"
Luckily, I escaped in the boat's engine room

I first hooked the wires onto the battery and wrapped them around my protective suit
With the improvised electro-thermic suit, I can preserve my body temperature and move around... There's another truth behind that principle



I coiled the wires around an insulation pipe
If I connect the power to the large amount of conden-sers...
I can generate a strong magnetic field the moment I switch on the electricity flow!

TS's com: Why do I have the feeling that she learnt (almost) all of this from her prev husband...

Magnetic field ... An electromagnet !?
Furthermore, the low temperature helped out!
The electrical resistance is now decreased to 1/100th of its normal rate!

EAT THIS AND GET BLOWN AWAY,BITCH !!
IT'S A MULTISTAGE COIL BAZOOKA !!
I WILL SURVIVE !!!
TS's com: MLG NO SCOPE 420 BLAZE IT!

DX5536's rant time

AND WHERE I DUMP MY FAN ART FOR EACH CHAPTER :3c

What can I say beside "Move bitch, get out the way!"? #thugmom

But srsly, Aisha gambles everything on this one blast. I mean if that blast fails, she is in real trouble. Aisha focuses on traps rather then close combat (I think)...

I'm really scared cuz they are my OTP ;_; I want Sasamura to propose Aisha in the most dramatic way!!! (They didn't even kiss, jesus!)

Also: It seems that Miko is a Mary Poppins' fan xD Umbrella+ falling from the sky with it= yeah....
